

Weekly Notices

2 – 5 March

- Notes on Bridge Etiquette:
 - SCORING: We continue to have issues in all rooms with incorrect or unverified scores being entered in Bridge tabs. PLEASE, if you are sitting South and in control of the Bridge tab, DO NOT continue pressing buttons after entering the score! Slide the tablet over to your East opponent and INSIST that they check the score before THEY press "Accept". Correcting these errors is tedious and an unnecessary drain on folks that volunteer their efforts for all of us to enjoy the game.
 - AVIOD DELAYS: If your table is running behind the pace of play, DO NOT stop & review the hand after play is finished. This information is available on-line and can be reviewed later, just note the board # being played. If you are not sure how to access this information, please ask any Director.
- IMPROVERS LESSONS will be held only this Wednesday evening and next at 7 PM, then a hiatus as Beginner lessons start. Please contact Kay in advance if attending so there are enough boards available. Please try to arrange a partner, although Kay may be able to help you find one.
- BEGINNER LESSONS are starting 18th March. Please take some flyers and hand out to friends, family and anyone in the community whom you think may be interested.
- Any subscriptions outstanding are now delinquent and the fee is \$98. If you are not planning on continuing your membership please let us know so we can take you out of the database.
- VOUCHERS – Remember, if you buy 10 vouchers at one time, you get one free, bringing the cost down to just \$3.63 per session! Vouchers can be purchase with cash or by paying online to the Club bank account. Just bring along your receipt of payment.
- PLEASE, to help the 'money collectors' each week, can we please just have vouchers or gold coins? PLEASE avoid small change and try to refrain from \$20 or \$50 bills!
