

Weekly Notices 16 – 20 March

- **Remember the South Canterbury Congress Sat / Sun 4 & 5 April.**

This is your Club's premier Tournament of the year and usually attracts between 100 and 120 players on both days. The Teams Competition is played in two Grades (Open & Intermediate). The Pairs Competition is played in three Grades (Open, Intermediate & Junior).

On the whole this allows players to play against others who are of a similar ranking -- unlike a large number of All Grades Tournaments. Please consider playing in this event at a level that is appropriate to your grading. Find a partner and enter soon.

- In light of current concerns regarding Covid-19, please use the Hand Sanitizer when coming and going from the club room. Of course anyone feeling unwell should please stay home. Further information from NZ Bridge is posted on the notice board.
- Noise levels are getting loud between play. Please be considerate of others and keep your voice down.
- Please play each board within the allotted time. Directors are encouraged to speak to slow players.
