Matters Arising from Previous Minutes (18 September)

- **Draft Constitution** – There has been no feedback from members. The Q&A session held on 2 October was attended by just 4 members. The draft constitution will now be presented for approval at the AGM. There will be a further resolution put to the AGM for reregistration of the Club as an incorporated society.

- **By-Law Amendments** –Carole advised that the Bylaw amendments were posted on the Club noticeboard for 21 days from 18 September and no request has been received for a Special Meeting.

“Final resolution that the amendments to Clubs Bylaws 5 & 6 (as set down in the minutes of the 18 September Committee meeting) be made, following the expiry of the 21-day period of notice to members, as required by the Club Constitution.”

- **Grading Committee** – The Committee is meeting on 29 October to consider the grading policy and to manage the grading process.
- **Display stand** – Anne-Marie is sorting sponsors’ flyers, still in progress.
- **Improver Lessons** – 3 lessons (pottage and bergen raises tutored by Michael, and transfers tutored by Grant) have been planned for October and November. The first lesson has taken place with 14 attending. It was decided not to charge table fees for the next two lessons.
- **Blinds Funding** – the Club is very appreciative to receive a Pub Charities grant for \$4,928. A thank you letter to be sent when we fulfil the accountability requirements.
- **Bar Fridge** – Grant has purchased a new fridge for \$1,910 excluding GST. He has sold the old fridge for \$50.
- **2026 Mixed Grade Teams Programme** – Michael has agreed to run this competition on Thursday nights from 30 April until 21 May.
- **Kitchen Improvements** – This is still a work in progress and options for a hot water tap and bench unit may not now be presented to committee members until next year.

Treasurer's Report – September

Sue presented the draft version of the annual accounts which have been sent to the auditor for review.

The 2026 budget is still to be finalised and will be presented to the next meeting for approval.

The Profit and Loss Account for the year shows a reasonable net profit of nearly \$17,000 before depreciation is deducted – these funds have all been effectively set aside to replace our assets - as the Club has nearly broken even after depreciation is deducted.

Significant increases in subscriptions, table fees and room hire were noted.

Cleaning costs have decreased, however repairs and maintenance is higher than for previous years.

An effective strategy to increase bar takings was discussed, from having the bar open more often to increasing the price of drinks.

- **Tournament committee** –
Anniversary Pairs – Cath reported – Ann-Marie’s organisation from afar worked like clockwork. An excellent job by all the committee and extra help in the kitchen. There were 24 pairs.
- **Computer Manager** – received and discussed
Connection with the smaller video screen on the south wall of the playing room has failed. The Committee agreed with Joe that one monitor in the playing room is adequate. Grant has offered to try to sell the old tv.
“Club to purchase and install more appropriate shelving and a bench in the card dealing room.” Moved Joe/ Cath – Carried
- **Bronze division** – received
- **Gold division** – received
- **Health & Safety** – received

- **Housekeeping** – received
- **Room hires** – received and discussed

Grant recommended signed contracts for room hires as he believes that there is significant liability for the Club. However, Carole and Sue confirmed our insurance brokers are aware that our rooms are hired to community groups and a note to this effect is included in the policy. This was discussed and the committee decided to carry on as is.

“Club to continue with the current room hire arrangements.”
